

Moving Checklist

By Weeks

▶ 4 Weeks Prior to Moving Day:

- Schedule a disconnect for all utility services the day after you leave and schedule a utility connection the day before you arrive. If you have "last month" deposits with services, such as the telephone company, request your refund.
- If you are moving yourself, reserve a rental truck or call family to help.
- If you are packing yourself, obtain packing materials and start packing items you won't need after you arrive at your new house.
- Arrange for cleaning and repair of furniture, drapes and carpeting.
- Check with your insurance company to see how your possessions are covered during transit.
- Collect your important records: gather personal and family records (including medical and dental), veterinary and school records, legal and financial documents, birth certificates, passports and insurance documents.

▶ 3 Weeks Prior to Moving Day:

- Properly dispose of items that cannot be moved, such as flammable liquids.
- Prepare auto registration for transfer (if moving to another state).
